

A PLACE FOR COMMUNITY

Come & Join Us

Following the survey last year about creating new Community facilities at Little Marcle Church, the architects have been busy drawing up plans.

These will be unveiled at our Fun Dog Show/BBQ/ Fete Event and we would love to share them with you.

So please come along to take a look at what we've come up with. It's your community and your building and your comments are always welcome. And you can enjoy the Fun Dog Show, Fete, BBQ & tea and cakes too!
